

Dear Advertiser

Once again *Fragrant Harbour* is producing its popular **YEAR PLANNER for 2017** – again in full colour. The planner (in English and Chinese) is a large wall chart showing each day of the year in a convenient, functional format (a draft of next year’s version is included). The actual size is a generous 844mm by 610mm.

As you can see, it makes an excellent wall diary and gives your company and products year-round exposure. What's more, many people use the **YEAR PLANNER** as a telephone directory. 1,000 are printed and distributed free in Hebe Haven Yacht Club, Royal Hong Kong Yacht Club, Aberdeen Boat Club and other marine outlets in Hong Kong. As an advertiser, you will receive three free copies – if you require more, please let us know.

The cost for one black and white space (60 x 62mm) is HK\$600; the cost for one full colour space is HK\$1,000. Set space is available at a 33% premium (please indicate your preference on the attached draft). Orders are taken on a first come, first serve basis so it is important that you give us your requirements as soon as possible. Please complete and return the form below.
